BURIALS IN THE CHARLESTON CEMETERY

CHARLESTON, WASATCH COUNTY, UTAH

An Eagle Scout Project by John David Besendorfer

December, 1985

EAGLE SCOUT SERVICE PROJECT

After learning that some of the Charleston Cemetery records were lost, I felt I could help my community by restoring this lost information. First I went to the Charleston Town Board meeting on Nov. 7, 1985 and presented my plan to the Town Council. They gave me permission to do this project and also permission to have access to the town sextion's records.

Next I took 7 people to the cemetery, instructed them and organized them to do certain areas of the cemetery. Those who went with me were Wes Webster, Lance Forakis, Peter Burnson, Diana Besendorfer, John Besendorfer and Jane Besendorfer. We each spent about two hours recording the information on the headstones. Those who went to the cemetery on the second trip were Peter Burnson, Jenny Besendorfer, Wendy Burnson, Jane Besendorfer and myself. We each spent about two hours on this trip. All of the headstone information was recorded.

Then I had my scout troop meet at my home and we compared our findings with the records that the town sexton had. Those who met at my home were Lance Forakis, Wes Webster, Lynn Webster, Troy Taylor, Chris Keller, Jimmy Madson, Jed Sabey and myself. We spent two hours working on the project. Then I figured out the age of everyone buried in the cemetery. This took me five hours.

I had all the information typed in alphabetical order and made into a booklet. My typist and proofreader was Jane Besendorfer. She spent 50 hours doing this part of the project.

Then I made a study of all the information that had been gathered. Here is some of the interesting facts that I found out about the burials in the Charleston Cemetery.

1.	Earliest burial	Agnes Ritchie	Oct. 6, 1873
		Sarah Ellen Bramshall Richman	Nov. 10, 1873
2.	Earliest birthday	Franklin J. Davies	Aug. 2, 1806
3.	Oldest person	Margaret Johnson Wright	100 years old
4.	Number of males		273
5.	Number of females		224

6.	Gender not known	19		
7.	Total number in cemetery	515		
8.	Greatest number of family names	Winterton--43		
9.	Under one year old	116	23%	34%
10.	1 to 10 years old	58	11%	
11.	11 to 20 years old	21	4%	
12.	21 to 30 years old	16	3%	
13.	31 to 40 years old	26	5%	
14.	41 to 50 years old	20	4%	
15.	51 to 60 years old	46	9%	
16.	61 to 70 years old	54	10%	
17.	71 to 80 years old	77	15%	
18.	81 to 90 years old	64	12%	
19.	91 to 100 years old	10	2%	

I had 10 copies of the booklet made on the Charleston Ward copier machine. Than I once again attended the Charleston Town Board meeting on January 2, 1986, and gave them a report on my findings and presented them with copies of the booklet. Also, I gave copies of the booklet to Bishop Burton of the Charleston Ward, my scout troop, and any other interested people.

I found my Eagle Scout project to be a very interesting and rewarding experience.
